## 2018 International Conference on Big Data and Education

9-11 March, 2018, Honolulu, Hawaii, USA

2018 International Conference on Big Data and Education (ICBDE 2018) will be held in Honolulu, Hawaii, USA during 9-11 March, 2018.

Big data is much more than just data bits and bytes on one side and processing on the other. It entails collecting, storing, processing, and analyzing immense quantities of data that is diverse in structure in order to produce insights that are actionable and value-added. Vast amounts of data of various types are being generated at increasing rates. Determining how to utilize this data strategically and efficiently is the goal of technologies associated with the Big Data initiative.

The conference is expected to provide an opportunity for the researchers to meet and discuss the latest solutions, scientific results and methods in solving intriguing problems in the fields of Big Data and education.

All papers accepted by ICBDE 2018 will be published in International Conference Proceedings, which will be indexed by EI Compendex and Scopus.
