Publication

Conference Proceedings: Accepted papers of ICBDE 2026 after proper registration and presentation will be published in the ICBDE 2026 conference proceedings. Conference content will be submitted for indexing by Ei Compendex and Scopus.

Submission Methods

(Choose one of the two, no duplicate submissions)

1. Online System: <https://www.zmeeting.org/submission/ICBDE2026>
2. Email: icbdeconference@163.com

Call For Papers

Prospective authors are invited to submit high-quality original technical papers for presentation at the conference and publication in the conference proceedings. Please check the topics of ICBDE 2026. The topics are not limited to those as below:

Topic 1: Big Data Science

- Novel theoretical models for educational data
- Computational methods for educational data analysis
- Data mining techniques in online learning
- Predictive analytics for student performance

Topic 4: AI in education

- AI-driven analytics for personalized learning
- Machine learning models for student success prediction
- AI-based assessment tools in education
- Detecting learning gaps with AI and big data

Topic 2: Big Data Applications

- Personalized learning through big data
- Big data for intelligent tutoring systems
- Data-driven strategies for course design
- Adaptive learning technologies using big data

Topic 5: Digital Learning

- Enhancing digital classrooms with big data
- Learning analytics for digital course delivery
- Personalization of digital learning experiences
- Gamification using big data insights

Topic 3: Big Data Management

- Data governance frameworks in education
- Cloud-based big data solutions for schools
- Ensuring data privacy in educational systems
- Real-time data processing for online education

Topic 6: STEM Education

- Big data for STEM curriculum design
- Predictive analytics in STEM education
- STEM student engagement using big data
- Data-driven teaching strategies in STEM

For more topics, please click this link: <https://www.icbde.org/cfp.html>

Important Dates

Submission Deadline: June 30, 2026
 Notification Deadline: July 30, 2026
 Registration Deadline: August 30, 2026

Conference Schedule

Day 1 – December 02, 2026: Registration & Collecting Conference Materials
 Day 2 – December 03, 2026: Keynote Speeches & Authors' Oral Presentations
 Day 3 – December 04, 2026: City Visit

Co-Organized by
